**EVIDENCE OF PUBLIC NOTIFICATION
AND
ACT 14 COMPLIANCE**

NOTICE

Notice is hereby given that North Branch Processing, RR2 Box 68, Mehoopany, PA 18629, (570)833-2306, intends to make application to the Department of Environmental Protection for a permit for the discharge of industrial wastes in a manner which meets Department requirements from a new facility proposed to be located in Eaton Township, Wyoming County. This is a new discharge of a continuous nature from a treatment facility and outfall pipe proposed to discharge treated effluent to the Susquehanna River at a location due east of the Skyhaven Airport.

This application is made under the provision of the Clean Streams Law, the Act of June 12, 1937, PL 1987, as amended. Persons desiring additional information, or who wish to provide comment concerning this permit application, should contact the company as indicated above, or the Department at the following address: Regional Oil and Gas Program Manager, PA Dept. of Environmental Protection, NE Regional Office, Two Public Square, Wilkes Barre, PA 18711-0790, (570)826-2511 after August 29, 2008.

RE: Act 14 Notification as Required by PA DEP
North Branch Processing
Hanover Project LLA-1073

Gentlemen:

This is to advise you that Mr. William Earnshaw has applied to the Department of Environmental Protection for issuance of a National Pollutant Discharge Elimination System (NPDES) permit for industrial wastewater.

This permit allows the discharge of treated industrial wastewater to surface waters of the Commonwealth and/or construction of the facility. The proposed activities will take place in Eaton Township, Wyoming County.
