

The Cuomo administration is conducting
a sham "health review" of fracking
behind closed doors with no public participation.

But an unprecedented 200,000 comments
to the administration exposed the fatal flaws and
lack of science behind proposed fracking regulations.

**Fracking cannot be done safely!
Don't poison New York!**

CALL GOVERNOR CUOMO
866-584-6799

Please recruit your friends, family,
and neighbors to call Governor Cuomo!
