RESOLUTION NO. 1006 -2012, PROHIBITING THE USE OF HYDRAULIC FRACTURING BRINE ON COUNTY PROPERTY OR ROADWAYS

WHEREAS, hydraulic fracturing is a highly controversial form of mining which uses pressurized fluid to break rock formations and release natural gas that is then collected; and

WHEREAS, the fluids used in hydraulic fracturing contain a variety of chemicals, the exact contents of which are unknown; and

WHEREAS, hydraulic fracturing produces a liquid waste product with high levels of salinity, commonly known in the industry as fracking brine; and

WHEREAS, some businesses which perform hydraulic fracturing would like to dispose of such brine by providing it to local governments as a road de-icing agent for use in the winter; and

WHEREAS, the ingredients in fracking brine are vastly different from the brine commonly applied to roadways by municipalities prior to a winter storm, which is composed primarily of water and salt; and

WHEREAS, some of the chemicals found in fracking brine have been linked to health problems associated with the respiratory system and other organs; and

WHEREAS, the County of Suffolk is situated atop a sole-source aquifer, which provides drinking water for County residents; and

WHEREAS, when applied to roadways, fracking brine has the potential to pollute surface and groundwater; and

WHEREAS, to protect the health and safety of County residents and local drinking water, Suffolk County should prohibit the use of hydraulic fracturing brine on County roadways and properties; now, therefore be it

1st RESOLVED, that the Department of Public Works shall not utilize brine created in the hydraulic fracturing process on County roadways or property; and be it further

2nd RESOLVED, that the Department of Public Works is hereby authorized, empowered and directed to enforce this policy with all subcontractors it engages for road work; and be it further

3rd RESOLVED, that this Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this resolution constitutes a Type II action pursuant to Section 617.5(c)(20), (21) and (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency
administration, management and information collection, and the Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this resolution.

DATED: November 20, 2012

APPROVED BY:

[Signature]

County Executive of Suffolk County

Date: 12-3-2012
This is to Certify That I, TIM LAUBE, Clerk of the County Legislature of the County of Suffolk, have compared the foregoing copy of resolution with the original resolution now on file in this office, and which was duly adopted by the County Legislature of said County on November 20, 2012 and that the same is a true and correct transcript of said resolution and of the whole thereof.

In Witness Whereof, I have hereunto set my hand and the official seal of the County Legislature of the County of Suffolk.

Tim Laube
Clerk of the Legislature
